1. This Parts Manufacturer Approval (PMA) listing defines the FAA approved device design, approved replacement, and the applicable installation eligibility.
2. This document shall be updated by Leach International North America to accommodate future supplemental PMAs.
3. These “FAA/PMA” markings are intended for users other than Type Certificated aircraft manufacturers and other Product Approval Holders.
4. This catalog is available at www.leachintl.com, as referenced in the FAA/PMA part marking. Access The “PMA Eligibility Catalogue” under the “Airline Support” header.
5. Eligibility is by reference to this document.
6. See 512-0023-001-000, revision AP for the current information provided in revision AX of this document, minus replacement part number and installation information, but including and sorted by Leach Part Number.
