NMC 3625- (Series)

SUPPORT CLAMP, FLAT COLOR CODED

Clamps for Multiple Type Applications and Easy Identification

Save time and reduce errors in installation and inspection by only having to glance at the final assembly for correct sizing. Use NMC Color Coded Clamps. Available in nineteen different sizes of clamps and come in a series of seven colors. Excellent for wire bundles and hydraulic lines. Light weight design includes exclusive wiping action to prevent pinching. Nylon is impervious to Skydrol, other fuels and chemicals. Flexible nylon permits variety of mounting methods – in-line, flush base or butterfly. One-piece design gives maximum cushioning and eliminates abrasion. Sizes from .125” to 1.5”.

Each clamp is designed for the aircraft industry and meets all the quality and structural requirements for plastic clamps.

NMC has full engineering specifications available for all items shown here. Contact us for further information.
